1. Purpose

The Youth, Recreation and Sport Advisory Committee is an advisory body to Cumberland City Council.

The purpose of the Committee is to:

- Assist with Council decision-making in relation to policies, programs, service delivery, communication methods, and engagement practices concerning youth, recreation, and sport within the Cumberland Local Government Area (LGA).
- Assist Council in consulting and responding to issues affecting young people and recreational and sporting communities in the Cumberland LGA.
- Identify opportunities for collaboration among youth advisory bodies, sporting organisations, recreational groups, and community organisations operating within the Cumberland area.
- Provide strategic advice to help inform Council decision-making related to youth engagement, recreational activities, sports development, and associated infrastructure and facilities

As part of all deliberations and decision-making processes, the Committee will actively consider the unique characteristics, needs, and priorities of communities within the Cumberland Local Government Area (LGA). This includes, but is not limited to, recognising and respecting the cultural and linguistic diversity of the population, addressing community sensitivities, and ensuring inclusive engagement. Where relevant, the Committee will also support and advocate for multilingual communication and culturally appropriate practices to enhance accessibility and equitable participation across all community groups.

2. Membership

Membership of the Cumberland Youth, Recreation and Sport Advisory Committee will consist of:

- Up to ten (10) community members or representatives from local community. Ideally, the community members will be from across the geographical area of Council.
- Two (2) Councillors.

Councillor appointments are resolved by Council (Ordinary Meeting of Council) at the first or second ordinary Council meeting of each Council term. Membership can be altered at any time by Council resolution.

All community representative nominations for appointment to the Committee are to be formally submitted in writing to Council, through an Expressions of Interest Process (EOI). Nominees must complete an Expression of Interest and formally declare in writing to Council any potential conflicts of interest (such as being a member of other committees or other community affiliations) directly relating to the purpose of the Committee.

All nominations will be assessed by an internal panel of Council staff, with recommendations made to Council via a report.

Committee membership will be formalised by resolution of Council. Community membership of the Committee shall be for the period of the Council term. At the commencement of each Council term, Council will review its Committee structure and subsequently resolve the continuation or discontinuation of any particular committee. Following this, an EOI process for membership will be undertaken.

Council staff will provide administrative support to the Youth, Recreation and Sport Advisory Committee.

Where there is no quorum, the members present can hold an informal meeting to discuss matters. However, any recommendations made by the Committee are not recognised until a meeting, where a quorum is present, has considered and ratified them.

In the event that three (3) consecutive committee meetings do not proceed due to a lack of quorum, a report will be included in the agenda for the next Ordinary Council meeting seeking Council's determination as to the continuation of the Committee.
